2016

Name(s) as shown on return

Tax ID Number

My tax return preparer has informed me that they may be required to electronically file my 2016 individual income tax return if they file it with the IRS on my behalf. I do not want to file my return electronically and choose to file my return on paper forms. My preparer will not file my paper return with the IRS. I will file my paper return with the IRS myself. I was not influenced by or any member of their firm to sign this statement.
