**Lillian's Professional Services, LLC is helping taxpayers with IRS Tax Problems and Resolution Services.**

IRS Problems are a very personal type of problem and people often do not know where to turn for help. IRS Problems generally affects all aspects of your life. Many people just live with the problem for months and sometimes years, assuming that nothing can be done about it. Imagine how relieved you or someone you know who has IRS Problems would feel if you could just put him/her in the hands of a competent expert who deals with the IRS on a daily basis and who really cares about helping people. A person who would give them the peace of mind they and their family deserve so they can stop looking over their shoulder once and for all, knowing that they do not need to meet or communicate with the IRS any longer. As your representative, we can handle all IRS communications so that you can sleep.

It's easy for good, hard-working Americans to fall behind. Providing IRS Tax problem resolution help is a natural evolution for us. Our compassionate team wants to help people like you. I have come across many people who have tried to handle their IRS situation themselves (or with their current CPA or person who prepared their taxes) but didn't receive the relief they were seeking. The professionals on our staff know the "ins and outs" of the tax system and can negotiate a personalized solution for you.

Our firm now handles IRS representation services which include: In addition to Preparation of Unfiled Income Tax Returns, Penalty Reduction, and Offers in Compromise, Payment Plans, Financial Hardship Plans, Wage Garnishment/Bank Levy Releases, Audits and IRS/State Appeals.

We'll listen to your IRS difficulties in our office in complete confidence at **NO CHARGE**. We'll answer your questions, explain your options and suggest solutions and provide you with a written estimate of our fees to **permanently** resolve your IRS difficulties.

Sincerely,

Mrs. Lillian Turner-Bowman
