8 Point Plan to Resolving Your IRS/State Tax Issues

1. **We will meet or speak with you and thoroughly discuss your tax situation.**
It is important that we obtain a thorough understanding of your unique situation. This personal interview will provide us with the background needed to develop the appropriate strategy for solving your IRS/State issue.
2. **We will have Power of Attorney (IRS or State) for you to sign.**
With the Power of Attorney, we put the IRS/State on notice that we are representing you. All future telephone calls/correspondence from the IRS/State should come to us and not to you.
3. **We will obtain transcripts of your accounts from the IRS/State.**
By reviewing your transcripts, we will be able to accurately determine what the IRS thinks it knows about your tax situation.
4. **We will develop the appropriate strategy for solving your IRS/State problem.**
Every taxpayer's situation is unique. With the information you have provided, we will develop a strategy to reduce the liability or get you the lowest possible settlement allowed by law and create an invoice for cost of services, at which time **deposit is due as per agreed**.
5. **We will send you an easy-to-follow checklist of additional information you need to provide.**
Preparing complicated IRS/State forms is our business. You, however, will have to provide us the information needed to complete these IRS/State forms. We will make this process as easy as possible by sending you our easy-to-follow checklist.
6. **We will prepare all forms required by the IRS/State to resolve your issues.**
We will prepare all forms required by the IRS/State. All you have to do is review these forms and sign them. We take care of the rest.
7. **We will negotiate with the IRS/State to obtain the lowest possible settlement allowed by law.**
We will handle all negotiations with the IRS/State in order to get you the best deal possible.
8. **We will thoroughly discuss all aspects of your/settlement/results or requirements with you.**
We will explain all aspects of your settlement with you and will answer any and all questions you may have. We want to make sure you understand and are completely satisfied.
